VOLUNTEER AT OUTER ISLAND

**ORIENTATION SESSION MAY 3RD 9-11 AM
BRANFORD COMMUNITY HOUSE, 46 CHURCH STREET**

This training session will cover what you'll do as a volunteer at this beautiful National Wildlife Refuge in the Thimble Islands. You will explore nature and marine wildlife, help our environment, and enrich our community. You can welcome visitors, educate, and/or do light maintenance. You'll only need to commit to volunteering twice all summer (but you'll probably want to do more!).

PLEASE JOIN US!
